Dear Frank,

We trust you are doing well. We are thankful for your membership at Faith Assembly of God over the years. We recognize that there are many fine churches in the Hudson Valley and hope that you have connected with one in recent months.

Your name is scheduled to be removed from our membership roster, as you have stated you are no longer in agreement with the Leadership and Boards of Faith Assembly. If you have any questions, please contact our Business Administrator, Alex Averin within the next 2 weeks at (845) 462-5955.

It is our prayer that God will help you find a church that you can support and follow the Leadership. May God grant you grace and mercy.

In His Service,

Ernest A. Martone

NOTES & QUESTIONS:

- This is after 8 Months of Unbiblical Exile.
- This goes against scripture (Matthew 18:15-17)
- Where are my accusers and the charges?
- This shows contempt for man's law and the By Laws and Constitution.
- It contains a straw man built by the insidious nature of innuendo. It is slick slander.
- This "Letter of Exile" was written so there would be no challenge at the 2015 Business Meeting. Sound familiar?
